

FRED L. BERNHEIM, FARA
Principal

EXPERIENCE

Mr. Bernheim was co-founder and principal of Bernheim & Kahn Ltd., an architectural firm whose practice included the design of industrial, commercial, financial, educational, transportation, health care, and residential projects. These projects were performed for owners, developers, municipalities, and governmental agencies many of which were repeat clients.

His expertise includes the design of new buildings as well as rehabilitation of structures dating back to the late 1800's. The firm's practice was based on a realistic budgetary/business approach keeping in mind the needs of the occupants.

His qualifications include programming, strategic planning and business development, feasibility studies, due diligence, budget preparation, construction documents, value analysis, scheduling, construction administration and closeout verification.
