

**LAWRENCE I. KAHN, Architect
Consultant**

EXPERIENCE

Mr. Kahn was co-founder and principal of Bernheim & Kahn Ltd., an architectural firm whose practice included the design of industrial, commercial, financial, educational, transportation, health care, and residential projects. His expertise includes the total rehabilitation of structures some dating back to the 1800's. He was also responsible for all aspects of the technical division including development of all construction documents for the firm.

The practice was based on a realistic budgetary/business approach for a client base consisting of owners, developers, municipalities, and governmental agencies.

His expertise includes business development, programming, strategic planning, feasibility studies, due diligence, budget preparation, construction document review, value analysis, scheduling, construction administration and closeout verification.
